

Changing of the Guards

The Elevator Contractors of America is pleased to announce the recent additions of Mark Hertsberg with Urban Elevator Company of Chicago, Illinois, and Steve DeGrenier of Atlantic Elevator Service located in Avon Massachusetts to the current seven member Board of Directors. Mark previously assumed the role of Treasurer that was earlier vacated by the unanticipated resignation of Bruce Moore resulting from the acquisition of Empire Elevator of San Francisco California by Kone, Inc. Steve most recently accepted an interim Directors position as a result of the current resignation from Mike Warfield due to his announced election of future retirement from the elevator industry. We certainly bid a fond adieu and heartfelt appreciation to our friends and former board constituents for their valued participation and immeasurable commitment towards the betterment of the ECA and the signatory independent elevator contractors of the nation.

Gulf Anyone?

The 2016 Annual Membership Conference is currently scheduled to take place at the Hilton Marco Island Beach Resort and Spa located on the southernmost Gulf Coast of Marco Island Florida from February 21st through February 23, 2016. Although the meeting's agenda has yet to be finalized, we encourage all interested members to mark their calendars and register early to take full advantage of negotiated discounts as demand is fully expected to outweigh supply and resort accommodations will be limited to a first come, first served basis.

Ft. Myers International Airport is the nearest airport for distant travelers and approximately 35 minutes from the Hilton Marco Island Beach Resort. Ft. Lauderdale and Miami International Airports offer viable travel alternatives roughly 1 to 1½ hours directly across the sunshine state.
