

Changing of the Guards

The Elevator Contractors of America is pleased to announce that Steve DeGrenier of Atlantic Elevator Service located in Avon Massachusetts has been officially elected to serve a three year term on the Board of Directors for ECA. Steve has immediately assumed the lead role as Chairman for the newly appointed Safety Committee in which he intends to introduce at the upcoming Annual Membership Conference in the early spring of 2016.

Please help us warmly welcome Steve as the newest member of the 2015/16 Board of Directors and congratulate him for volunteering his efforts to give back to the industry in support of our valued members.

Bidding a Fond adieu

The Board of Directors would like to give special acknowledgement and huge thanks to Mike Warfield with ELCON Enterprises for devoting his time and industry expertise towards the betterment of the ECA and its members. Mike recently tendered his resignation from the board as he prepares for life after elevators and focus's his sights towards the bright lights at the end of that long and infamous tunnel.

Mike served as Vice Chairman and Labor Director for ECA and was heavily instrumental in the recent development and publication of the Model Safety Program as his last parting contribution as a director on the board. On behalf of the Board of Directors and the entire ECA membership, we bid Mike a fond adieu and extend our utmost gratitude for his commitment and endless support for the Elevator Contractor of America.

A Shout Out to Our Sponsors

On behalf of the Board of Directors and our entire membership, I would like to once more acknowledge and personally thank all valued 2015 Vendor Sponsors for their generous patronage and continued support of the Elevator Contractors of America. Your expressed interest and conveyed commitment to our organization is absolutely well received and fully recognized by all. Thank you once again to:

Gulf Anyone?

The 2016 Annual Membership Conference is currently scheduled to take place at the Hilton Marco Island Beach Resort and Spa located on the southernmost Gulf Coast of Marco Island Florida from February 21st through February 23, 2016. Although the meeting's agenda has yet to be finalized, we encourage all interested members to mark their calendars and register early to take full advantage of negotiated discounts as demand is fully expected to outweigh supply and resort accommodations will be limited to a first come, first served basis.

Ft. Myers International Airport is the nearest airport for distant travelers and approximately 35 minutes from the Hilton Marco Island Beach Resort. Ft. Lauderdale and Miami International Airports offer viable travel alternatives roughly 1 to 1½ hours directly across the sunshine state.
